

Grade 2 Spelling & HFW Master Manual

CHAPTER 1: FOUNDATIONS & WORKBOOK MECHANICS

"Words are the building blocks of understanding."

What Actually Happens with Spelling and HFWs?

In our Grade 2 ELA block, spelling isn't just about memorizing random letters; it is about teaching our EFL learners how the English language works. By focusing on phonetic patterns alongside high-frequency words (HFWs), we give students the tools to decode new words and read with confidence.

THE GOLDEN RULE OF THE CURRICULUM

- **Spelling Words & Challenge Words:** These follow explicit phonics rules. They are formally taught, practiced, and **tested**.
- **High-Frequency Words (HFW) & Fluency Passages:** These are for exposure, contextual understanding, and building reading speed. They are **never tested**.

Workbook Mechanics: From Introduction to Mastery

The spelling workbook acts as a systematic guide that coordinates student progress. The breakdown of the seven core workbook pages and their academic purposes is here:

- **The List Page:** Introduces the targeted phonics pattern, 12 core spelling words, 2 multisyllable challenge words, and basic review words.
- **Independent Practice Page:** Features tasks like *Read aloud*, *Sound it out and write*, *Cover and write*, and *Check and correct*.
- **Reading Fluency Page:** Contains a short story and a comic strip embedding the HFWs into a fun, readable context.
- **Words to Know Page:** A dedicated worksheet for HFW practice.
- **Spelling Practice Pages:** Three pages of targeted phonics tasks.
- **The Blank Lined Page:** A flexible space for creative or focused practice.
- **The Test Page:** The final bi-weekly assessment page with a grading rubric.

CHAPTER 2: TESTING & ACCOUNTABILITY

"Accountability breeds response-ability."

The Bi-Weekly Test Dictation Format

Assessments must be conducted in a structured, consistent manner to measure orthographic mapping and keep students accountable for their spelling and handwriting progress. To ensure spelling tests measure genuine comprehension rather than rote memory, always administer the test using the three-step dictation procedure: state the word clearly, use it within a contextual sentence, and repeat the word once more.

CHAPTER 3: THE 2-WEEK TIMING BLUEPRINT

Spelling and High-Frequency Word lessons are designed to fit perfectly into the first 40 minutes of your Monday and Thursday RS blocks. This integrated timetable outlines how to pace spelling alongside reading comprehension:

Week / Day	First Half (40 mins)	Second Half (40 mins)
W1 - Mon	Spelling & HFW: Introduce New List, Phonics Pattern, & Core Words	Reading: Picture Walk & Read-Aloud
W1 - Tue	Reading: Vocab & Power Words	Reading: Close Read Pt 1
W1 - Thu	Reading: Close Read Pt 2	Grammar: Concept Intro & Guided Practice (We Do)
W2 - Mon	Spelling & HFW: Practice & Review, Fluency Comic	Reading: Shared Reading Practice
W2 - Tue	Grammar: Review & Independent Practice (You Do)	Reading: <i>myBook</i> Turn and Talk / Extension
W2 - Thu	Spelling: Official Spelling Test & Corrections	Catch-up, Review, or Writing Bridge
